

University Hospital Foundation

# THANK YOU TO OUR DONORS

---

Thank you for your generous donations, for your perseverance in the face of unprecedented challenge and uncertainty, and for thinking of us while being consumed not only with the health and safety of yourself and immediate family members, but your parents and grandparents; with the education of your children; with jobs, careers, and family businesses; with the loss of face-to-face conversations and all-enveloping bear hugs; and missing once-in-a-lifetime occasions like the birth of a baby, or saying goodbye to a loved one.

Through all of that, and so much more, you still took the time to think of us and send us a donation. That is why we are thanking you again.

You believed in the University Hospital Foundation as trusted stewards of your investment and valued our ability to ensure that your gift would be used to its fullest potential. Furthermore, you gave in record-breaking numbers as we received more donations last year than any other in our 59-year history.

**Dr. Jodi L. Abbott, ICD.D**

PRESIDENT & CEO, UNIVERSITY HOSPITAL FOUNDATION

**We gratefully acknowledge the contributions of donors who generously supported advancing healthcare at the University of Alberta Hospital, the Mazankowski Alberta Heart Institute and the Kaye Edmonton Clinic with their gifts of \$250 and over, from April 1, 2020 to March 31, 2021.**

“

I am so thankful that the Maz is here in Edmonton. My doctors, nurses and healthcare teams were incredible. They cared for me with such dignity and respect. They treated me like family, no matter what was going on.
