

2021
2022

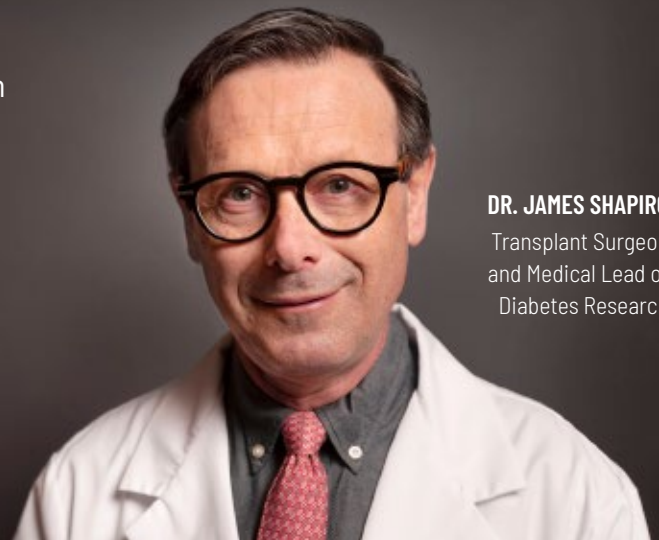

**HONOURING
DONORS**

We gratefully acknowledge the contributions of donors who generously supported advancing health care at the University of Alberta Hospital, the Mazankowski Alberta Heart Institute and the Kaye Edmonton Clinic with their gifts of \$250 and over, from April 1, 2021 to March 31, 2022.

To search for a name press CTRL/COMMAND + F then type a name in the pop-up search bar

Imagine a world where heart attacks are treated when and where the patient presents symptoms. In such a world, organ transplantation has no waitlist because organs can be hibernated until they are needed, and diabetes is a disease of the past.

Welcome to the world the University Hospital Foundation and our many donors are striving toward – a world of cutting-edge medical innovation.

DR. JAMES SHAPIRO
Transplant Surgeon
and Medical Lead of
Diabetes Research

“

Seeing the wave of support that comes through the University Hospital Foundation's Heart Pledge Day means the world to so many patients and staff here at the Maz. There is this understanding in the community that supporting cardiac health through the pandemic and beyond is as critical as ever and that's inspiring.

DR. ROBERT WELSH
Interventional Cardiologist

“

According to Buddha’s teaching, practicing generosity is one of the first steps on the Bodi Path. In 2020, we observed how COVID affected health care so we felt giving to a healthcare organization was the best path. As a religious and spiritual organization, we felt it was our responsibility to give back to the community in any way possible.

“

Shortly after my husband passed away, I added a gift in my will to the University Hospital Foundation to reflect the immense gratitude I felt for the care he received at the University of Alberta Hospital. I'm still deeply moved when I think of how well they took care of us.
